

CERTIFICATE OF PARTICIPATION

This is to certify that

Vansh Yadav

has actively participated in the **Workshop** on

“Contemporary Advances in Generative AI and LLM Technologies including Anthropic AI”,
organized by byteXL, in **Lovely Professional University (LPU)** on **3rd April 2026**.

The workshop provided insights into the latest advancements in **Generative AI and Large Language Models (LLMs)**, including emerging technologies and applications of **Anthropic AI**. Participants explored practical use cases, modern AI tools, and the evolving landscape of intelligent systems through interactive discussions and demonstrations.

We appreciate your enthusiasm, dedication, and active participation.
